

Meet @eth1000xSuperDev

A Developer's Distribution Challenge

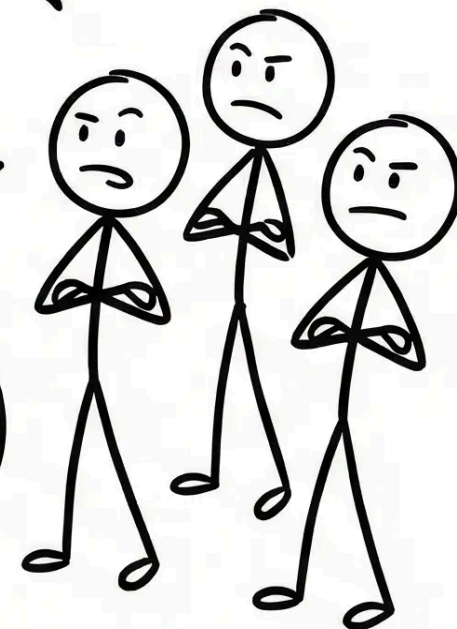

My hook is audited
and battle-tested!

Who audited it?

Never heard
of them.

How do we
know it's secure?

TRUST METER

- Unknown developer: **X**
- Top audit firm: **\$50k+**

~~Free tier
⇒ no income~~

~~Flat fee
⇒ trust needed~~

~~Per-transaction
⇒ no enforcement~~

~~Revenue share
⇒ no infrastructure~~

How do I even get paid?

DEVELOPERS

- ✓ Build hooks
- ✗ Can't reach protocols
- ✗ Can't monetize

NO BRIDGE

- No discovery
- No trust system
- No payment rails
- No standards

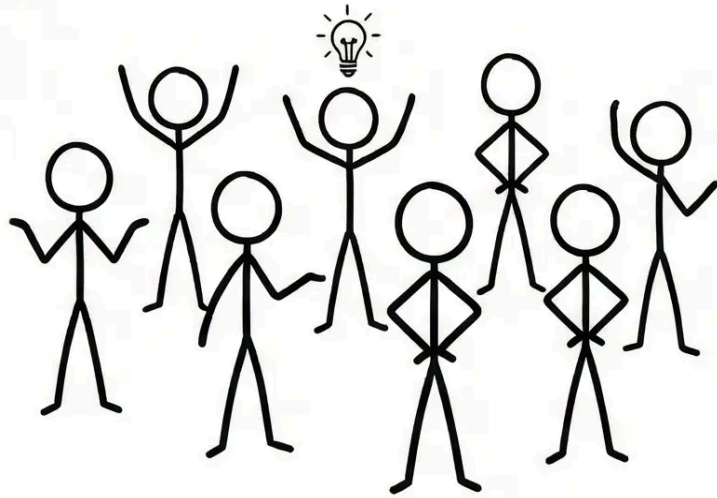

PROTOCOLS

- ✓ Need hooks
- ✗ Can't find developers
- ✗ Can't verify quality

We're both here... but invisible to each other
